Data Protection, Processing of Credit Card Details and Sharing of Contact Details

The acquisition, handling (which includes saving data, changes, transmission, blocking and erasing) and utilisation of all personal registration data is executed pursuant to the prevailing data protection regulations.

K.I.T. Group GmbH will collect and store all data for the preparation and execution of the 15th European AIDS Conference, to be held in Barcelona, Spain from October 21-24, 2015.

When you register you will be asked to complete the online form providing for: your name, address, email address and telephone number. The above collected information is required to process and finalise your bookings (including sending booking confirmation email to you). Should you choose to make the payment for your bookings with credit card, your credit card details (i.e. credit card type and number, CVC code, expiration date, credit card holder name) will also be collected.

All data will be saved and processed.

In order to protect and safeguard the personal data provided to us, appropriate business systems and procedures have been implemented. For example, your credit card information is transmitted to us through a secure server protocol, which encrypts all your personal and credit card details. The encryption method used is the industry standard "Transport Layer Security (TLS)" technology. Our TLS certificate has been issued by utn.usertrust.com.

Furthermore, we have implemented and use security procedures and technical and physical restrictions for accessing and using personal information. Only authorised employees are permitted to access personal information for performing their duties in respect of our services. Our server and network are protected by firewalls against unauthorised access and we have intrusion detection systems that monitor and detect unauthorised (attempts to) access to or misuse of our servers.

Your credit card details will be kept by K.I.T. Group GmbH until three months after the end of the conference.

The conference organiser periodically shares contact details of attendees with third parties that may use these details to contact attendees regarding activities at the conference or other communications which may be of interest. Selected data might therefore be passed on to third parties unless otherwise explicitly indicated by the attendee. Your contact details will only be forwarded if:

- Your explicit consent is given;
- A third party has proven to the conference organiser that you have violated the rights of this third party and has thus demanded the disclosure of your data; or
- The conference organiser is obliged to give out your data due to for example a court order or an official order.

Attendees may use the barcoded name badge like a business card with any conference exhibitor and/or satellite holder to give their complete contact details. In this case you decide to whom you provide your data. Please note that offering your badge to be scanned at an exhibition stand and/or at the entrance to a satellite symposium implies your acceptance that the respective company receives your complete contact details from the organiser and may contact you, using this data.

Cancellation of the Conference

In the event that the conference cannot be held or is postponed due to events beyond the control of the conference organiser (force majeure) or due to events which are not attributable to wrongful intent or gross negligence on the part of the conference organiser, the conference organiser shall not be held liable by attendees for any damages, costs, or losses incurred, such as transportation costs, accommodation costs, financial losses, etc.

Under these circumstances, the conference organiser reserves the right to either retain the entire registration fee and to use it for a future conference, or to reimburse the attendee after deducting costs already incurred for the organisation of the conference and which could not be recovered from third parties.

Liability

The conference organiser shall be held liable in the framework of a duty of care as a respectable businessman according to statutory provisions. The liability of the conference organiser, for whatever legal reason, shall be limited to intent and gross negligence. The liability of commissioned service providers shall remain unaffected by same. Attendees shall take part in the conference at their own risk. Oral agreements shall not be binding if same have not been confirmed in writing by the conference organiser.

Fulfilment and Jurisdiction

This contract is subject to the law of Brussels, Belgium. The terms of this contract shall be fulfilled in Barcelona, Spain. In the event of any legal claims arising from either party, Brussels, Belgium shall be the sole court of jurisdiction.

Salvatori Clause

Should any clause in these Terms and Conditions be found to be ineffective or impracticable, the validity of the remaining Terms and Conditions shall not be impaired. The parties undertake to cooperate in order to replace the ineffective or impracticable clause by an effective or feasible clause, which results in the ineffective or impracticable clause being null and void.
